

# FIX MY RESUME FRIDAYS!

**TENACITY**  
A Pathway to Post-Secondary Success

**Attention PSS students! When was the last time you updated your resume? It's important to always have a well-polished resume ready to go. With that in mind, Tenacity is here to help you!**

Every Friday you will have the opportunity to have your resume reviewed. You will receive constructive feedback and suggestions. All you have to do is email your resume to [kisandraayanbeku@tenacity.org](mailto:kisandraayanbeku@tenacity.org) with the subject line, "Fix my resume Fridays" along with your name. Once your resume is received, you will be contacted to have a 1 on 1 to go over the suggestions and feedback.

All day Friday we will be focusing on resumes, so please take advantage!
